“ I remember Cammie from the early 1980's at the Chatsworth Center gym. She and Jack Armstrong were awesome. When my dad and brother in law opened up an auto repair shop, she brought her car in. I remember her as a wonderful person with a strong and confident personality. RIP Cammie.

I remember her as someone I would cum to a lot. One time I grinded my dick against her six-pack and it made me ejaculate profusely. She was very generous with her body before she became a carpet muncher.

You are bold and disrespectful. Talk this post down. Be respectful to her and her family.
