“ *I had the pleasure of knowing Angie for the past 6 years....we did a lot together....go to movies, dinner, sporting events, etc.*

She got close to my mother....we are both devastated by her passing...

May she rest in peace.

“ *We met when we were both 10 years old. My family had just moved to the neighborhood in Duarte, Ca. Angie and her Sister Becky were pretty much running the neighborhood when we crossed paths. At first we tried sizing each other up, like kids do. Were we gonna be friend's or foe? Well, we became the best of friend's until her passing. She was like family to me and always will be. I have too many wonderful memories of her to be able to choose just one. But that is how this beautiful, one of a kind person came into my life. I'll miss her forever* ❤️
