“ In loving memory of my beloved Pastor, big brother, and dear friend Clyde Cecil Lawrence. It feels like I've known Pastor Lawrence all of my life. I met him through my brothers Sammy and Percy. He lived with us for many years; What a great time full of laughter and love! ❤️

Clyde was also Reverend Clyde Lawrence at my brother, Pastor Percy Hills Church, (Cochran Avenue Baptist Church). Reverend Lawrence loved God! On any given Sunday, Reverend Lawrence would have the congregation full of joyful worship and song!

After my family went home to be with the Lord it was the love, devotion, and friendship of Pastor Lawrence that provided love, joy, and direction to my life. He was always there ready and willing to help.

Beloved Clyde Pastored his own church, " I Am Blessed Assurance Missionary Baptist Church." He was a gifted, anointed Pastor who led his congregation and countless others to the knowledge of Christ and his eternal salvation.

Most of all Pastor loved his dear family and grandchildren. They were his pride and joy! Nothing could put a smile on his face like his beloved family. In his final days he received loving in home care from his wonderful family who graciously allowed me to be at his side.

Well done!!!

Dear brother, Pastor, and best friend; we ended each day with a hug and a smile saying, " In a minute!"

Love you Always! ❤️

“ To Pastor Clyde Lawrence’s family, on behalf of Tabernacle of Faith Baptist Church, I want to say that it was such an honor to have had your dad, grandfather, and friend serve with us in ministry.

Moreover, he was ALWAYS willing to jump in and serve, not only inside the church, but outside at our monthly Food giveaway. He was selfless, serious, and very sincere. We’re comforted to know that he’s present with the Lord.

Pastor Ed Robinson

“ I love you and miss you Pops. You were more than my Grandfather. You were my father figure. I have a lot of fond memories of him growing up but most important one were the four years I spent with him working in the liquor store he owned. I spent almost every day with him. I got to see my grandfather as not just a Pastor but as a business owner, a friend, a neighbor, and as an overall human being. We had some hard days in that store. And on those days he would be vulnerable with me and show me he was a man, who was still trying to grow even in his elder years. But one thing I saw my Grandfather’s unwavering belief in himself and the lord. He always did his best to stay positive and never accept defeat. That’s how he always was. I wished I had the spirit he had. I don’t think I can ever be half the man he was but I’m proud to carry his last name. I’m still sad you’re gone and wished the lord blessed you with 30 more years with us. Still I’m happy to know you found rest with your lord and savior after a long journey. There is so much more I can say but none of it can do him justice. I love you Pops. Please watch over me and our family.
