“ *Dear Clough Family,*

I am writing to express my sympathy for your loss and to express my appreciation for "Neighbor Don".

Don was a very loyal friend to my father. They had many adventures together. Here are a few that come to mind: Don helped my dad with projects at the youth camp, Laurel Pines and around the home. He was always ready to be Dad's travel buddy on errands when he wanted to take the carpool lane. On one of these trips they had a tire blow out on freeway during rush hour in the motor home. That was a heart stopper! Another time, I recall Don rescuing my dad from the ER. I wasn't too happy with him then but he knew dad was miserable and he came to his aid. Don and Michael were such faithful visitors whenever Dad had an operation or was in therapy. They came everyday. They even went to Hollywood to see Dad at the Kaiser there when he had his heart operation. What I am most grateful for is that Don was my dad's sounding board when my mom was ill and had died. Don was there for him through the sorrow, the pain and loss. He checked on him every morning to make sure he was okay and to bring him his morning coffee. This was a great comfort to me. As long as I didn't get a call from Don, I knew dad was alright. Once, when my dad was going through a particularly rough spell and was feeling down, Don bought him an Alan Jackson hymn CD. Dad played that CD in his car for months. Those songs reminded him that God cared and they brought him comfort.

In closing, I think of the all the times Don would pray for my dad when he left on a trip with the motor home. Now, it our privilege to say a prayer as he is the one to take a journey this time.

Dear Heavenly Father, Thank you for gift of your servant Don. For he really was a servant. He seemed happiest when he was giving to those he loved. We are comforted that he trusted in you and is now in heaven. Please tell him we appreciate how devoted he was to his friends and family. Amen!
