“ *I am deeply saddened to learn of the death of Gary Goldblum. I grew up with his sister Corrine and as a teenager often visited their home where Gary would bang away on his guitar. For the past few years I have been trying to get in contact with his sister however I have not been able to obtain a phone number for her. Please pass this note onto Corrine. I will leave my contact information below.*

May Gary's memory be a blessing. With all my love.
