“ *Zack was probably my best friend in high school. We both graduated from San Diego Lincoln High School in 1961. Following graduation we both went our separate ways until about nine years ago (50 years after graduation) out of the clear blue I received a call from Zack. From that point on we spoke about every two weeks (mostly about fishing and politics). I will miss our talks and I will especially miss Zack.*

I would like to provide my sincere condolences to his two sisters, his daughter and family and to Penny.

Thank you,

Philip Fink
