Janna Enkhorn

“ When I was bedridden after my surgery and subsequent paralysis, Jerry and Phylis came to our home and prayed over me. That touched me deeply and was and is very much appreciated. I am thankful for the advice he gave my husband and I regarding our family and cherish how much he cared and how much he put God first. I know he is in a very good place with the Lord now and my prayers are with those here that are missing him now. From the Enkhorn family to yours, our deepest sympathy
