“ John was an extremely social person, had a passion for cars, and active golfer. He sold medical devices in the eye industry and was well respected. My family and I will always be grateful for him saving my friends fathers life 15 years ago, from a stroke getting worst. If it wasn't for John referring him to one of the top eye surgeons in Southern California. He would have gone completely blind. It was a honor knowing John, after all these years. RIP Martini John.

“ John was a true social butterfly, who had a gift for connecting with everyone he met. A successful salesman, he built relationships and enjoyed his well-earned retirement on the golf course, admiring vintage cars, and cheering for Bosco Football. His love for his dogs and those around him was undeniable. He will be deeply missed and never forgotten. Rest in peace, John.
