“ Sending our heartfelt condolences to Steve, his children, Ken, Anne, and all of your family on the loss of Karla. We always enjoyed our time as neighbors in Park Estates, and while our kids attended Brethren preschool together. Karla was always the nicest person, and she will be missed by so many people. Sincerely, Steve and Anne Weaver family.

My prayers to her husband and children. To Ken and Anne, all my love and prayers. Your wife, daughter, and mother had such a beautiful soul. This is tragic news. Angels bless her and keep her safe. This is such tragic news. Such a blessed beautiful soul. Such a beautiful soul. Such sad news.

“ I've known Karla since we were both kids from sometime around 1980. She has always been such a sweet & wonderful person, even as a lil' kid. I saw her frequently in our younger years, as I was also close friends with her brothers & sister too...but as we grew up, married & raised our families, I didn't have the pleasure of seeing her often enough...but whenever our paths crossed she remained as Amazing as always. Such a delightful sense of humor & so incredibly kind & considerate toward others... Our world is less beautiful without her being here... She is loved and will be missed by so many of us. Thinking of you, Karla...& sending you love from me & my family. Also sending much love to your beautiful family... Our heartfelt condolences to Karla's children, husband, parents, family & all her loved ones. I'm so grateful for all the wonderful memories with you, Karla...much  love.
