“ Well, Kody was a tad little when I first met him... still in his Momma's belly and then out he was into this strange new world. A world when, back then, had not just family surrounding him also, a YMCA family, (that included me), that embraced and adored him. Such a cutie! Love you Poppen family, you have always had a special place in my heart and very kind toward me and mine! It is my prayer that you find a peace that penetrates this pain and helps you move through this at the speed God knows you need and how you need to process. Our prayers are with you and may you keep the fun and precious memories of sweet Kody at the forefront of your mind.
Love, Barb
