“ *"This is Larry your lil BRO"*
Words can't even describe how I feel I just started to talk to you and got to know a bit about you sister and now idk how to feel I even told you I was supposed to visit and see you!! It sucks that my whole life I hardly knew who my family was for reasons I never understood was I not important or just not considered family I wish I could've had memories with you.. But talking to you I started feeling a lil peace at heart knowing you and a few other family members cared!! I know you will be in my heart and you will be watching over the family. One thing is certain sis ME AND Your NEPHEW ARE MORAS THAT WILL NEVER CHANGE ALWAYS WILL REPRESENT. I love you big sis I miss you

“ I remember the time when Perrin, Alexis, Larissa and I would always go riding our bikes and scooters around gma's old block in Norwalk. We all had fun and I always cherished those days. Everyday I'm trying to stay strong and keep my mind busy, but each minute it becomes harder for me to hold back the tears. I miss you soo much.
