*Hello Rosemarie,*

*I'm so sorry to actually hear about Larry. Before he passed away i reached out to Jerry his brother and never got a response back from him. I grew up with him in Downey 2 house north of his place. I had no clue he had passed and I was just thinking of him and thought I would google him trying to locate him and that's how I found out. I know it's late to say anything but I just wanted to say he was a character and we had some crazy memories going out.*
