“ *Godmother Stacey my deepest sympathy goes out to you on the loss of your brother. I know this is a difficult time for you. Larry is no longer homeless and he is no longer in pain. You have great memories and you celebrated him so well. He died knowing his sister loved him. Be strong. I love you. Your Godson Arris*

“ *Stacey, again my deepest condolences go out to you on the loss of your brother Larry. You were a good sister to him even though you were many miles away. He was blessed to have you as a big sister. Larry is with you in Spirit, because those we love don't go away, they stand beside us everyday. Unseen, unheard but always near, still loved, still missed and so very dear. Love Always, your CVS Carnetta, Godson Air, and nephew AD.*

“ Larry, my dear brother,

Of all the gifts in life

Grateful you were God's gift to me.

Your journey has now ended.

Your spirit has ascended,

No chance to say a last good-bye.

I know you were hurting and now am I.

It comforts me to know one day.

We'll meet again.

So, I will say, "See you later,

This is not the end."

Never shall a memory fade

You were my friend.

Although we laughed and cried as siblings do

Our sibling relationship never ended, too.

Remembering our childhood play

Brings a smile to my day.

As adults, we lived far away,

Our phone calls brought us near.

The precious memories

I will hold on so dear.

I am glad I was there for you,

When you needed me.

Like a big sister should

We had a special bond you see.

A bond that couldn't be broken.

Unfinished words now unspoken.

I loved you and I always will.

Wished to tell you once more,

Before you had to go.

Having you as my brother

Was the greatest gift of all.

A brother who never part,

You are alive in my memory.

With tears aside,

Forever in my heart

You will abide.

I love you brother dear.

Your Sister Always, Stacey
