

Linda Carol Bury

July 7, 1950 - January 24, 2022

Linda Carol Bury was born July 07, 1950 to Ambrose and Florabell Bury in Los Angeles, CA at General Hospital (yes the one on TV). Linda passed away on January 24, 2022 at the age of 71 in Downey, CA. Linda has been battling many health issues the past few years, she was really struggling with her breathing getting worse and worse until her last breath. Linda moved to Norwalk, CA in 1955 when she was just 5 years old with her parents and 3 brothers and has lived in the same house her whole life. Linda only had one child her daughter Melissa. Melissa was Linda's pride and joy and she was always so proud of her daughter. Linda was a very hard worker always working 2 jobs most of her life. Linda worked at Toys"R"us as her second job for over 30 years. Most of the time you could always find Linda with her daughter doing fun things through her life.

Linda has lived a wonderful life and has gone to be with the lord and never has to feel another pain or have a hard time breathing again. In our hearts forever she will remain. Linda will truly be missed by everyone. Anyone who had the honor to know Linda knew what a caring, loving, strong and amazing woman she was. She gave so much and asked so little.
