“ *Both times our family visited Linda, I was amazed at how much she smiled and how happy she was in spite of all her health issues and hospitalizations. A great lady that kept her humor and optimism until she left this world.*

“ *My aunty Linda has been the best aunty ever. She has been a true blessing and inspiration in life, her strength, love and dedication to her family and friends. There was no limit to what she was capable of doing, nothin and no one would stop her. I can remember when I was lil when I use to go over her house, with my mom or without my mom she was there. No matter the situation my aunty was there. She always seem to amazing me with her handy work around the house. A women who let nothing define her and what she was capable of doing. I am grateful I had chance to her have her in my life and my children's lives.*
