“ *I'm very sorry to learn of Mark's passing. Mark and I met in college, through playing chess, and we became friends. We had a lot of adventures together, and I am grateful for having known him. Mark was a really decent guy, and he will be missed by many. May his memory be for a blessing.*

*Thank you for your thoughtful remarks. I'm Mark's mother. Mark first told me of his wish to take his life when he was lingering 12-13 years old. He had low self-esteem, though there was no lingering reason for it. He had ADD and also dysthymia (a milder form of depression) which includes periods of remission or joy.*
