“ My dear aunt Nancy. I have so many many wonderful memories of you. You and Jack raised an awesome family. I remember well the days when I babysit your kids and how often mother, my dad and I came to your home on second Street in Allentown and they All played cards and drank beer. And through the years we never lost contact because of distance. And how she made her own cards to celebrate holidays and birthdays to many many of us. And that I know was well into her 80's. She was a very very special person to me. I loved her. Thank you all for taking such good care of her. RIP, our angel Nancy. 🙏💕
