My deepest condolences to Nick's family and friends on his much too young and tragic passing, but take comfort in knowing he is now at peace, until we meet again in heaven.

“ This was the last photo I got of you when you visited me in Vegas last year. Forever grateful for everything you've done for me bro. I got to call you one of my bestfriends for 7 years, from the first day we met in Seattle. I will miss the laughs and our great conversations. You will be missed dearly. Till we meet again. My deepest condolences to your family.
