“ *Lucy, I'm so very sorry for your loss. The last time I saw you and Ray, you both looked so happy. Ray was happy to be out and be with you. I saw the love you both shared in your eyes. May Ray always rest in peace and may he always be by your side.. Lucy you are in my prayers.*

*“Ray, it only seems like yesterday when we first met you. Trying to act all tough, but we could see the gentle soul inside in the way you spoke, and acted towards my baby sister, Luci. You were always there for anyone who needed help, and many times you would just jump in to help us. You are, and will always be missed. Kind, and gentle Ray, may be at peace. Hug all our loved ones that I know are with you. Play with Erin until I get there!! Let Luci know you are with her always. Until we all gather together again.
Your Sister-in-law, Bee.*
