In Loving Memory of Rhonda Cheryl Allen

September 10, 1957 – June 7, 2026

It is with profound sadness and deep love that we announce the passing of Rhonda Cheryl Allen, who departed this life on June 7, 2026, at the age of 68.

Rhonda was a devoted wife, loving mother, educator, sister, and friend whose kindness, generosity, and unwavering love touched the lives of everyone fortunate enough to know her. She was the beloved wife of Terry Allen and the cherished mother of Alexis Allen and Brenton Allen. Family and friends were the center of her world, and she dedicated her life to caring for, supporting, and uplifting those she loved.

Rhonda earned an Associate in Arts degree, a Bachelor of Arts degree, and a Master of Science degree in Education. She chose a career in education because it allowed her to spend more time with her children while making a positive difference in the lives of young people.

Through her work at Gahr High School, she inspired students and built lasting relationships with colleagues and members of the community.

Known for her giving spirit and loving heart, Rhonda found joy in both life's simple pleasures and its exciting adventures. She loved riding motorcycles, exercising, and trying her luck at the casino. She could often be found folding

laundry while talking on the phone with family and friends, staying closely connected to the people she cared about most. Whether sharing a laugh, offering encouragement, or simply checking in, Rhonda made everyone feel loved and valued.

She leaves to cherish her memory her loving husband, Terry Allen; her children, Alexis Allen and Brenton Allen; her siblings, Rae, Darcy, Rosalynd and Clarence; her beloved nieces and nephews; and a host of extended family members, dear friends, former students, and colleagues whose lives were enriched by knowing her.

She was preceded in passing by her siblings, Darrell, Savetta, and Shelton.

Though our hearts are heavy with loss, we find comfort in the countless memories she created and the love she gave so freely. Her strength, warmth, sense of humor, and devotion to her family and friends will continue to inspire those who knew and loved her.

Forever loved, deeply missed, and never forgotten.

“ Dear Family,

I am so very sorry for the profound loss in the passing of Rhonda C. Allen. Words are insufficient in expressing my sorrow. Rhonda has left all who had the privilege of her presence with a huge void. She was a truly remarkable soul—she had deep empathy, which she demonstrated in deed and understanding that left value and unconditional acceptance and love.

For me, as a cherished childhood and lifelong friend, her influence was an essential source of support, strength, and perspective that gently shaped beliefs I hold important today. Despite geographical distances between us, the thread of our friendship remained unbroken and vibrant with a shared history of family, life, and love.

The world is diminished by the absence of her wit, and her great wisdom that she generously shared. But now her spirit of unconditional love, and her deep well of compassion, and her innate understanding of humanity will forever inspire us to live with greater grace and definite purpose. May her memory serve as a guiding light and a lasting testament to a wonderful life lived with extraordinary heart.

With love and gratitude,

Michele Fervil and family

“ I will miss my cousin. The support, love, resources she and her family provided to me and my children when we moved to California is never lost on me. Through out the years, that never changed! Oh my, the enormous support she provided to me as a person was deeply impressionable. Rhonda loved her some Alexis, Brenton, Terry and her motorcycle. Whether we agreed or disagreed on something, she /is was the only person I knew quick to connect again with the same passionate love, and family interaction as always. My special cousin, I miss you girl.

She never met my inlaws and they were so thankful and amazed how she sent, flowers, fruit, and food.
