“Ruth was a wonderful neighbor and friend. I met her years ago when she would walk past my home and I became very fond of her I looked on her as an almost second mom. We had lost touch in recent years but I was sad to learn she had passed. We always think we will have more time that there is always tomorrow that we can visit but we are not guaranteed tomorrow. Grab the moments when we are still able. My condolences to John and her children I feel like I know each one of you as she always talked about you all. God bless Ruth I will miss you.
