

Sal Tony Fernandez

January 2, 1987 - March 12, 2021

Sal Tony Fernandez was born on January 2, 1987 at Pioneer Hospital in Artesia, California. He was born to Cynthia and Randy and became the 4th son in the Fernandez family.

Sal was a loving and caring son with a huge heart. He had the brightest smile that would light up a room no matter where he went. He had a crazy sense of humor but could also be serious when the need arose.

Sal is survived by his mother Cynthia, brothers Vincent, Marc and Randy Jr, sisters Jessica and Sara, daughter Faith and granddaughter Amelia.

Sal is a beloved son, brother, father, grandfather, grandson, uncle, nephew and cousin to so many who love him. He left us way too soon and he will be so dearly missed.

"It broke our hearts to lose you, but you did not go alone. A huge part of us went with you on the day God called you home"
