“ My brother was the most amazing person. Funny caring loyal and absolutely awesome. He always had the strength to keep moving even when it seemed to be really hard to even pick up his feet. He always gave me the strength to keep going by just watching him do what he needed to be there for his family. He was a hard working man a great teacher and an amazing son brother lover and friend. He's saved life's and helped so many. If someone wants to remember him and keep him close just remember his laugh and humor that will get you thru your darkest times because it got me thru my darkest times. Steven Andrew lane is the G.O.A.T. He will always be remembered for his dedication to his family and sons and his sense of humor. He was the most corniest person you can imagine with the worst jokes that weren't funny but so funny because he would laugh before he finished his sentence. I miss you dear brother. My first best friend and my first protector. We all miss you. My sunshine is dim but one day we will get our sunshine back. Forevermore I love you my sunshine. Your Lil sister Kellie
