“ *Tiffany you were my daughter in law and we did so many fun things together through the years. You always laughed at what I said or did. Thank you for giving me a beautiful Granddaughter to love. I will miss you a lot. Love, Linda*

Robert, just wanted to say thank you for loving my sister like you did. Sorry I just got to read this and I want to apologize for some of the things Karen and I said to you.

“ I remember Tiffany when she was a little girl. I used to live right behind Rick and Candy and watched Shawn and Tiffany playing in the alley. She was such a cute little girl and she grew into a beautiful young woman who left this world way to early.

“ I am Tiffany and Shawn's younger cousin. I remember being at the house inn Rosecrans Ave. Playing in the ant hills, uncle Rick's old bug, and Tiff making us lunch. We were like her little kids.

In a world so full of judgement, Tiff had none to pass. She was everyone's cheerleader. She loved us all. And we love and will miss her forever.

“ I remember when I would go visit my sister and Jeremy and you would always be so nice and friendly.. Everytime they ordered a fight at the garage you would love to hold a conversation with me and tell me how beautiful my daughter Liliana was. Tiff we will miss you but your not suffering anymore and we love you!

“ I'm her brother, Shawn Mock and I have endless memories of my sister. I remember playing the game Cascade. It had little steel ball bearings that bounced on trampolines. I took one of the bearings and bounced it off the trampoline and it ricocheted and hit her in the face. She got so pissed off, she grabbed a belt and whacked me on the head with the belt buckle and sent me to emergency needing stitches. That's what I get for messing with little sister!!!

“ Oh how many nights I spent at your house the summer before and after 6th grade. We would laugh so hard until we cried all hours of the night. I remember watching your dad always working on his cars, Shawn always going somewhere on his bike and your mom putting up with our craziness and laughing just as hard along with us. I will never forget our walks to Big G market, those were the best. I've had some of the best childhood memories with you. I hope you are at peace now and with your mom. I love you my friend and I'll miss you forever ❤️
