“ We are saddened to learn of the death of W.F. Ingram - he fought a tough battle with his illness. It was so good to see him at our 50th Four Oaks High School Class Reunion a couple years ago - he really enjoyed being there and the fellowship with friends!! Our deepest sympathy to all his family. May God comfort you with peace and the many memories you shared over the years! Jimmy and Dianna Thomas Goldsboro, NC

“ Bill Ingram was the greatest. When ever I needed help with anything he was always right there. Every year at the Halloween party at the church he would turn his scooter into a train and pull the kids around. When it was time to set up an event he was there. Him and his wife Shari have been like grandparents to all our kids. I will never forget his kindness and his conditional love.
