“ *“One Day Butterfly”*  
*Aren't we all one-day butterflies,*  
*not aware of time.*  
*Searching for partners or honey*  
*until Death kisses us.*  
*Then in his arms, tenderly rocked,*  
*waiting for a new chance*  
*to fly away again*  
*and join the dance*  
*of the “one-day butterfly”.*

*Miss you always parvaneh joonam.* ❤️ 🌹 ☐

“YOU’RE GOING TO LOSE PEOPLE ALONG THE WAY”

*And it will hurt like hell....  
You're going to lose people along the way  
People you thought you'd never lose.  
People you truly believed would always be here.  
And it's going to hurt like hell.  
But that, my friend, is life  
People change, relationships change.  
Some evolve. Some disintegrate.  
Some people leave through no will of their own and that hurts the most.  
They didn't want to go.  
But you, you will survive it all.  
You will.  
You will look back and realise that the people you need, are still here, in some soul connective way.  
And that the other relationships you lost along the way, have taught you something that made you a better person.  
And that's life.  
Hold close to those who are in your life now and remember the ones who left, fondly.  
Regret nothing.  
Use the feelings of pain to commit to a life here and now, a life where you take no one or nothing for granted.  
Where you cherish every minute with those people you love.  
You're going to lose people along the way, my friend.  
But that is life.  
Every minute counts.*

“ Parvaneh joonam, No one I know spread more love in one lifetime than you did.  
May you touch,  
Dragonflies and stars,  
Dance with fairies,  
And talk to the moon, till we meet again.  
Love you and always will.  
Rest In Peace my angel 🌸🌹💐💕💖
